Dear Todd:

I feel compelled to write and thank you and your staff for their tremendous job with our office build-out last month.

Everyone -- from Bill and Ken to your subcontractors -- was thorough, hard-working and professional throughout the entire process. I've never been more confident of a project being accomplished on-time and on-budget in my professional career.

I especially want to commend your company for its attention to detail and pride in its work. I look forward to working together again in the future.

By the way, please feel free to have any potential customers call me for a reference. When I get done with them, they'll be ready to sign on the dotted line.
