Dear Todd:

As we come to the end of another successful year, we would like to thank you and your staff for the quality of workmanship and unsurpassed service that you have consistently demonstrated in regard to our tenant construction projects. Our management team's goal is to offer the best in property management and with your help, we have achieved outstanding results again this year.

Your attention to detail, the courteousness of your staff, and your flexibility in scheduling has made our job infinitely easier. Because of you and your staff, I am able to tell my tenants with confidence, that their construction project will be on time and on budget, with the least amount of disturbance to their daily routine.

Thanks again for all of your assistance and good work this year. We look forward to a long and prosperous affiliation with Woodrow Development.

Very truly yours,
