Dear Bill,

We at the Taxman Corporation want to take this opportunity to thank you for the outstanding job you did in building out our new office space. Being in the construction business, we recognize quality work. Your construction suggestions proved to be invaluable. But most of all, your willingness and ability to handle our changing requests in a timely and courteous manner were appreciated. This enabled us to meet our moving schedule without any delays.

Bill, we would look forward to working with you in the future.

Sincerely,
