Re: Our New Northbrook Office

Dear Bill,

The SFX Northbrook staff just wanted to say thank you for the great job in executing the project at our new office space. Our visitors have also indicated how wonderful the new office looks.

You and your company demonstrated an exceptional quality of workmanship during the construction and we will not hesitate to use WDI again and highly recommend you to future clients.

Once again thank you!

A handwritten signature in black ink that reads 'Peter F. Smith'.
