Dear Todd:

I would like to take the time to personally commend you and your staff for the excellent work your company has performed over the past year, at the Schaumburg Corporate Center. Your timely performance and attention to detail has been recognized not only by myself, but equally by the tenants whose projects which you have constructed as well. I have dealt with a number of general contractors over the past thirteen years and have found that very few of them could meet the level of service your company has consistently provided. Your professionalism and assistance in meeting some rather difficult project deadlines is second to none. Please do not hesitate to call upon me for the purpose of providing your company with a reference, it would be my pleasure.

On behalf of Manulife Real Estate, I would like to congratulate you and your staff and wish you much success in the future.

Sincerely,
