Dear Todd,

I wanted to let you know how pleased we are with how our new space turned out. While the project had some challenges with materials shortages and other issues, we appreciated your willingness and your team's willingness to make sure the outcome was a good one.

This is the third construction project we have had Woodrow do for us and I would not hesitate to recommend your firm to other companies considering a major construction project. We appreciate the integrity you and your team consistently demonstrate. Thank you.

Sincerely,

Allan L Siders
CEO
