To whom it may concern,

I am pleased to write this letter of recommendation for Woodrow Development, Inc. We contracted with the firm to complete a 23,078 square foot buildout for a medical tenant in Mount Prospect, IL. The space was part clinical and part administrative (on two different floors within the building). They had to work under difficult circumstances, having a very tight deadline and addressing the challenges of an older building that had been vacant for several years. Dave Gaulin, Project Manager, met each challenge with a can-do attitude. We liked their work so much that we also contracted with them to complete some corridor updates on three of the floors of the building. You will be happy to know and work with Dave and his company.

Very truly yours,
