

To Whom It May Concern:

TQL has relocated to 16,670 Sq. Ft. located at 700 East Butterfield Road in Lombard, IL. Woodrow Development was selected as the general contractor for the project.

It was a pleasure working with their entire team, especially Project Manager David Gaulin who lead the project. David was proactive on the project - holding weekly meetings with project stakeholders, ensuring each detail and deadline were met. He successfully worked with internal and external vendors, ensuring deliveries and installs went smoothly. The project finished on time and on budget.

I would recommend Woodrow Development as a General Contractor and David Gaulin as Project Manager. Please feel free to contact me with me questions or to further discuss my experience.

Sincerely –
