To Whom It May Concern,

I wanted to reach out and thank everyone that was involved with our recent office renovation project. We realize we gave some pretty tight deadlines, especially with some holidays in the mix. Gary and his team worked diligently to get the project done to meet our deadline.

The entire team was professional, clean, and courteous. Gary was very responsive to questions and changes throughout the project. In addition, once the project was complete, all touchups, questions, and minor corrections were handled promptly.

Thanks for a job well done. If you ever need a reference, please feel free to give out my name and phone number or email.

Sincerely,

A handwritten signature in blue ink that reads "JoAnn Larsen".
