Dear David:

I would like you to know that it has been a positive experience working with Woodrow Development over the years completing numerous projects. Your attention to detail has allowed us to tackle many different types of projects. Your company performed the work in a timely fashion, being both clean, safety conscience and having the ability to react to any special requests along the way. Your field personnel are knowledgeable, experienced, and responsive to unique field conditions, and the quality of craftsmanship throughout the projects has been excellent.

It will be my pleasure to work with your firm again, as well I would be happy to recommend you to other clients.

Best regards,

Lowell Cantor
