To Whom It May Concern:

This letter is regarding the exceptional service and professional workmanship that was provided for the recent plastic surgery office remodel at 9000 Waukegan Rd. David Gaulin, Gary Hanson and Jim Nolan of Woodrow Development, Inc. provided organized and efficient management with effective communication at all points of the project. The various tradesmen were well informed and coordinated to perform the work necessary in a timely fashion. Weekly team meetings helped keep everyone up to date and any issues were addressed promptly to the owner's satisfaction.

I am very impressed with the work that was completed ahead schedule even with the current supply chain delays, and I couldn't be happier with the outcome. My heartfelt thanks to the entire team.

Sincerely,

Dr. Sara Dickie
